COMfortel® H-100 analogue

Freedom when telephoning. Comfortable and flexible headset for Auerswald telephones in the COMfortel range.

▪ Excellent sound quality
▪ Acoustic shock protection
▪ Ergonomic design
▪ Extremely comfortable
▪ Adjustable microphone holder
▪ Adjustable headband
▪ Padded earpieces

The extremely light headset COMfortel H-100 from Auerswald guarantees optimum fit. Working with a headset is significantly more efficient compared with a conventional handset since both hands are free for other activities during the telephone call.

Your health will also benefit. For individuals who telephone for more than two hours a day, using a headset reduces neck pain and tension in the upper back area.
